Frequently asked Questions

What do I do now to confirm this booking

When you are ready to confirm, return a signed copy of the quote and this secures your vehicle. Your hire agreement contract will then be forwarded to you, this to be completed and returned to us. On arrival and when you collect your vehicle, your rental is subject to this signed hire contract.

What happens if I exceed my free Kilometers?

For small saloon rental there is an included 150km allowance per day. If you exceed this allowance a per KM charge is levied. This amount [and other possible incidentals] will be deducted from your credit card at the end of the hire period .

What happens if I return the vehicle late?

The rental days work in 24 hour increments. Therefore all vehicles rented must be returned at the same time that they were initially taken to avoid extra days charge.

What happens if I do not refuel the vehicle?

The customer receives the vehicle with a full tank of fuel, so to avoid fuel charges, it needs to be returned full. If it is not, we shall fill it up and charge your credit card.

What happens if the vehicle is damaged?

We understand that no-one rents with the intention of incurring damage to our vehicles. Unfortunately incidents do occur whether in or out of your control. In the event that damage is noted, this will be recorded on your off hire check list and counter signed by yourself. The cost of repairs and your liability is clearly outlined in your contract and any charges will be deducted from your credit card.

What Insurance is included in my rental

Insurance cover is subjective and does not cover damages caused by careless, wilful or negligent driving, or as per clauses as indicated in the agreement. **Insurance cover outside Malawi** - a \$ 10 per day surcharge [10 % excess] will be added to your invoice. If you enter Zambia / Mozambique/ Tanzania, you will be liable to pay directly for that countries 3rd party insurance - 3rd party insurance is purchased for 1 month.

What happens if I modify my original booking?

Should you make any modification to your reservation, this needs to be confirmed by our office prior and is subject to availability.

Why do you require authorization on my credit card?

Your credit card serves as **our** protection and guarantee that the charge of your hire and any incidental costs incurred on your hire, will be duly paid for. Land and Lake are authorized to claim the max amount as indicated on your signed hire agreement. Should charges exceed that, we will submit relevant documentation backing the claim and it will be your responsibility to settle amounts due.

The driver must be in possession of a credit card. The credit card must be in the name of the driver of the vehicle. Debit cards are not accepted for car rental pre authorisations

What is the delivery / collection fee?

This fee includes drivers costs [overnight / return journey] and fuel [to ensure you still receive your vehicle with a full tank of fuel]. These fees are what it costs us to deliver the vehicle to your preferred pick up point.
